The College was also awarded as Best Examination Center by SRTMU, Nanded (2015), Best Principal award and also received Maharashtra state level award (2014) for 'Jagar Janivancha'.

### About Department

Department of Chemistry is one of the pioneer departments right from the inception of the science faculty. It offers programs such as B. Sc., M. Sc. and Ph. D. degrees and B. Sc. Analytical Chemistry started in 1989. The department of chemistry and Analytical Chemistry is the prime department of college with nearly 475 students in UG & PG courses. The department has introduced remedial coaching for UG students and also started coaching for NET/SET/GATE examinations for PG students. The department has nurtured quality research ambience and has published many research papers in national and international research journals.

### About the Conference

The National Conference on 'Modern Perspectives in Chemical Science and Research' will be held on 30<sup>th</sup> January 2018 to motivate and update the thinking ability of research students and academicians in the field of synthetic, medicinal, pharmaceutical, chemical technology as well as green chemistry and its application by providing a forum for new ideas, methods and

techniques. Thus, reorienting the vision of development and strengthening networking and active participation of all scientists, academicians, researchers, research scholars and students. The fruitful deliberations will yield good suggestions which will help policy of the country. The conference will help to bring many experts and academicians together to exchange innovative ideas, plans, views and counter views for the betterment of educational development.

### Call for Papers

Authors are solicited to contribute to this national conference by submitting a full length paper prepared on the following themes.

### Themes

Organic synthesis, Green Chemistry, Biomolecules & Biocatalysis, Supramolecular Chemistry Nano-materials, Coordination Chemistry, Environmental Chemistry, Stereochemistry & Spectroscopy, Medicinal & Pharmaceuticals, Polymer Synthesis, Nuclear Chemistry, Agricultural, Textiles & Dyes, Research and Development in Drug Designing. The authors are requested to submit the full length paper by mailing to [mpcsr2018@gmail.com](mailto:mpcsr2018@gmail.com) with following format : Paper size – A4, Margins – Left – 1.5", Right - 1", Top – 1", and Bottom – 1", Line spacing – 1.25, Font – Time New Roman, Title of the paper – 14 pt Bold (Capitalized Letters), Author's Name – 10 pt, Author's Address – 10 pt Italic (Centered)
