Invitation :

Dear Delegates, it gives immense pleasure to cordially invite and welcome you for the National Conference on **'Current Trends in Chemical Research and Technology (NCCTCRT-2020)** organized by Department of Chemistry and Analytical Chemistry, M.S.P. Mandal's Shri Shivaji College Parbhani on 22nd February 2020.

About us :

M.S.P. Mandal's Shri Shivaji College Parbhani, established in the year 1961 and has been imparting quality education to students belonging to socially, economically and academically backward sections of society. In due course of time the infrastructural facilities developed gradually and now the college is spread over 22 acres and has well furnished decorative building, spacious class rooms, well equipped laboratories, hostel buildings, decent guest house and an independent library building. At the same time the college has progressed qualitatively by producing number of eminent alumni successful in all walks of life. Along with the under graduate programmes the college also offer post graduate education in thirteen different disciplines. This college is also recognized as a research centre in basic subjects like Physics, Chemistry, Botany, Zoology, Hindi and Urdu. This college has emerged as a renowned college of Marathwada region in the last six decades with its sincere efforts to perform a vital role in educational, social and cultural development.

Landmark Achievements : 'Jagar Janivancha' Maharashtra state level award (2014-15), 'The Best College Award' (2015-16), **Best Principal Award** (2016-17), 'UGC-CPE Status' (2016-17), 'A' grade with **CGPA 3.52** (Third Cycle) by NAAC, Bengaluru (2016-17), 'UBA 0.2' by MHRD (2018-19), 'UGC Paramarsh' (2019-20) and 'UGC Stride' (2019-20)

About Department

Department of Chemistry is one of the pioneer departments right from the inception of the science faculty. It offers programs such as B. Sc., M. Sc. and Ph.D. B.Sc. Analytical Chemistry was introduced in 1989. The Department of Chemistry and Analytical Chemistry is the prime department of the college with 615 students in UG, PG and Ph.D. programmes. The department has introduced remedial coaching for UG students and started coaching for NET/SET/GATE examinations for PG Students.

The department has made significant impact in various area of research work and teaching. The department has strong interaction and MoUs with various industries and Government Educational Institutes like Centre for Skilling and Technical Support (CSTS) Aurangabad. The research laboratory of the department is recognized for Ph.D. research centre by S.R.T.M. University, Nanded and has three recognized research guides. The department holds glorious track record that includes University **Gold Medallist** in Chemistry. The department had organized seven National workshops, seminars and conferences such as *NSNETC-2008*, *NCNCCE-2011*, *NWPDGPE-2014*, *NWMSGTSRR-2015* and *NCMPCSR-2018*. The department has nurtured quality research ambience and published many research papers in National and International research journals.

About the Conference

The National Conference on **'Current Trends in Chemical Research and Technology' (NCCTCRT-2020)** will be held on **22nd February 2020** to motivate and update the thinking ability of research

students and academicians in the field of synthetic, medicinal, pharmaceutical, chemical technology as well as green chemistry and its application by providing a forum for new ideas, methods and techniques. reorient the vision of development and strengthening networking and active participation of all scientists, academicians, researchers, research scholars and students. The fruitful deliberations will yield good suggestions which will contribute policy of the country. The conference will help to bring many experts and academicians together to exchange innovative ideas, plans, views and counter views for the betterment of educational development as well as in research field of Chemistry.

Themes

Nanotechnology, Synthetic Organic Chemistry Material Science, Catalysis, Computational Chemistry, Modeling and Spectroscopy, Thermodynamics and Electrochemistry, Organic Synthesis, Green Chemistry, Biomolecules & Biocatalysis, Supramolecular Chemistry Coordination Chemistry, Environmental Chemistry, Stereochemistry & Spectroscopy, Medicinal & Pharmaceuticals, Polymer Synthesis, Nuclear Chemistry, Agricultural, Textiles & Dyes, Research and Development in Drug Designing.

Call for Papers

Authors are solicited to contribute to this national conference by submitting a full length paper prepared on the above themes. The authors are requested to submit the full length paper by mailing to ncctcrt2020@gmail.com with following format: Paper size – A4, Margins – Left – 1.5", Right – 1", Top – 1", and Bottom – 1", Line spacing – 1.25, Font – Time New Roman, Title of the paper – 14 pt Bold (Capitalized Letters), Author's Name – 10 pt, Author's Address – 10 pt Italic (centred)

The paper will be short listed on the basis of originality, technicality, quality, research significance and relevance to the conference theme. The selected papers will be published in UGC approved, peer reviewed and referred Journal with ISSN Number, '*Journal of Emerging Technologies and Innovative Research (JETIR)*'.

Registration :

Duly filled registration form along with registration fees should be sent to the Principal. Payment should be made through NEFT / RTGS / on account details given below :

Name of the Account Holder : **Principal Shri Shivaji College, Parbhani**
